

SHAPE

THE FUTURE CHALLENGE

Join the world's most accessible impact accelerator for young founders. Partner with us to unlock innovative, feasible, and impactful solutions while engaging with 1,500+ young innovators worldwide.

WHAT IS THE CHALLENGE ABOUT?

A global innovation platform where young minds collaborate with industry leaders to tackle real-world problems. Each challenge focuses on themes like mobility, climate, health, or energy, co-designed with partners.

HOW IT WORKS?

Define the Challenge: We define focus areas & deliverables tailored to your needs together.

Recruit Participants: We onboard diverse top young innovators through global promotion.

Mentor & Innovate: Give expert advice as teams devise solutions alongside our mentor network.

Pitch & Implement: Teams pitch solutions; you gain fresh ideas, prototypes & trend insights.

WHO WE ARE

Moonshot Pirates is the world's most accessible impact accelerator for young founders aged 15-24. Through our Shape the Future Challenge, we empower young innovators to develop practical solutions, gain industry knowledge, and build a global network of mentors and leaders.

Our Impact Since 2019

- 6 challenges completed
- 14.5k+ participants from 150+ countries
- 750+ innovative ideas developed
- 500+ mentors involved
- 125k website visits and 9.8m social media reach per challenge

Past participants secured internships at top companies, startup funding, and admissions to prestigious universities like Yale and Stanford.

WHY PARTNER WITH US?

Gen Z makes up 25% of the workforce and thrives on solving challenges with social impact. For us, every partnership is unique—we tailor the experience to your needs, driving innovation while bridging generational gaps.

- Engage with the next generation and gain **generational and cultural insights** into the problems you are trying to solve.
- Build a **talent pipeline of top Gen Z** talent for future collaborations.
- Gain **early-stage prototypes** and innovative concepts from Gen Z innovators.
- Receive **authentic content** and video testimonials for impactful marketing.
- Contribute to the UN SDGs and show **measurable impact**.
